Instructions for CS700 Algorithms Lab Assignment-2

Department of Computer Science and Engineering
Course Instructor: Prof. Alwyn R Pais
AL: Murali Manohar Rao

Lab Assignment-2 Submission Instructions

Dear Students,

Please follow the instructions below for submitting your lab assignment for the CS700 Algorithms Lab:

1. **Refer to the Lab Assignment:** You should have received the lab assignment details via the Class Representative (CR). Please refer to the assignment document carefully.

2. **Create a Zip File:**

   - Gather all the files related to your lab assignment as specified in the assignment document.

   - Compress these files into a single zip file. The zip file should be named using the following format:

     RollNo_Assignment2.zip

     Replace RollNo with your actual roll number.

     eg. 233IS001_Assignment2.zip

3. **Upload the Zip File:**

   - Upload the zip file to the google form: https://forms.gle/7cF3ubqEHgs5v9deA

4. **Due Date:** The submission deadline for assignment-2 is **23 September 2024, 5PM**.

If you have any questions or encounter any issues with the submission process, please contact your Class Representative.
